Metal Gear Guide by New Beacon Books

**Metal Gear Guide**
A version of Metal Gear was released for mobile phones in Japan on August 18, 2004. Although based on the MSX2 version, it includes several new features and changes. This same version was included as a component of Metal Gear Solid 3: Subsistence for the PlayStation 2. The North American version included a retranslated English script.

metal gear solid guide | eBay
Metal Gear is a fairly linear game; while you are free to make your own decisions about where to go, you will not be able to access many parts of the game without taking care of prior steps first. While you may not be sure about where to go next in a given moment of the game, there is usually only one course of action that is the correct choice.
