Sexual attitudes and behaviors in ancient Rome are indicated by art, literature and inscriptions, and to a lesser extent by archaeological remains such as erotic artifacts and architecture. It has sometimes been assumed that "unlimited sexual license" was characteristic of ancient Rome. Verstraete and Provençal opine that this perspective was simply a Christian interpretation: "The sexuality ...

I had to answer this poll with the "something else" options simply because my situation is/was rather extreme.... I am a 19 year old male (an age group and gender that could use more representation on this site *ehm*ehm* just saying :P) and my sexuality is pretty complicated. For me, puberty started with a rather large and exclusive introduction to gay porn.
